Dear Michelle and Friends at the New York Council,

Houston

Thank you so much for your incredibly generous \$2,000.00 donation to our kids at Covenant House and for inviting Tom Manning and Jane Rodas to come speak and meet your group at the Columbus Club.

Los Angeles

Mexico

As you know, your financial support will help us provide food, clothing, shelter, medical attention, job and educational training for so many young people society has forgotten. On behalf of all our kids here, thank you for reaching out in such a powerful way.

We are also so grateful you gave us the opportunity to speak to the New York Council about our mission and our young people. It is only when friends in the community work together that we can put an end to youth homelessness, and we're so grateful you gave us the chance to spread the word about our work.
